ORDER:

1. The Commissioner of Endowments Department, A.P., Hyderabad in his letter read above has stated that there are nearly 200 major temples in the state which are administered by the Endowments department. In these major temples a huge amount of sale transactions of various types are taking place. There has been criticism in the past that the procedure adopted for sale of items as well as procurement of items is not transparent and fair. During the recent review meeting the Minister for Endowments, stated categorically that the department should go for e-tender, e-bidding and e-procurement in all major temples immediately. Keeping the directions of the Minister (Endowments), in view, the department now proposes to implement the same from April, 2011. IT department is already assisting the Tirumala Tirupati Devasthanam in e-procurement and e-bidding process. The Commissioner of Endowments Department, A.P., Hyderabad has therefore requested the Government to issue necessary orders to implement the e-procurement system with immediate effect.

2. After having examined the proposal of the Commissioner of Endowments Department in the reference read above, Government hereby agree to introduce the e-procurement system in the Endowments Department.

3. Necessary instructions shall be issued from time to time for implementation of e-procurement as and when required.

4. The IT & C Department shall provide necessary training and support for the implementation of the e-procurement in the Endowments Department.

5. The Commissioner of Endowments Department, A.P., Hyderabad shall take further necessary action accordingly in the matter.
